

ر Pronunciation of the letter

Heavy ثقِيْم

Light تَرَقِيْق

- When ر carries a fathah or dammah.
- When ر is saakina and the letter before ر carries a fathah or dammah.
- When ر is saakina and the letter before it carries a kasrah, and the letter after the ر is a thick letter that doesn't carry a kasrah.
- When ر saakina is preceded by همزة الوصل (ر) is always read ثقِيْم because it is not an original kasrah).
- When ر saakina is preceded by another saakina letter, which is further preceded by a letter with a fathah or dammah.
- When ر carries a kasrah.
- When ر is saakina and the sign of the letter is a kasrah (provided that the following letter is not a letter of ista'ala).
- When ر is saakina (due to stopping) and is preceded by ي saakina.
- When ر is saakina (due to stopping) and is preceded by another saakina letter (which is a letter of istifaal), and is further preceded by a letter with kasrah.
